CHRISTINA KOSTOSKY PRESIDENT

Hi, my name is Christina Kostosky. I am a wife, mother of four; ages 18, 12, 9, & 6; two boys, then two girls. I am this

years PTO President and a proud parent involvement supporter “Go Tigers!” If I am not at school, you’ll find me at an

ice rink. My son’s both play ice hockey for a travel team.

I have a BA-Instructional Studies special education from Point Park. I am presently working on my masters in autism .

I am currently, a full time research assistant for a healthcare search firm. Before that I was a Behavior Therapist/ TSS

for 13 years. I provided quality behavioral health services to children and families who are affected by Pervasive

Developmental Disorders, specifically Autism, Pervasive Developmental Disorder (NOS), and Asperger Syndrome. I

collaborated with families and professionals to develop unique autism services which can provide alternatives to

traditional programming within a continuum of care. I love working specifically with Autism. I happy to help provide

fun events to students and families. I can't wait to see everyone when school starts.
